Leading mid-segment hotel brand deploys IDEaS solutions for its Middle East hotels

United Arab Emirates, Dubai – October 11, 2016 – [IDEaS Revenue Solutions](#), the leading provider of revenue management software solutions and advisory services, announced an agreement with Premier Inn Hotels LLC, to implement [IDEaS G3 Revenue Management System \(RMS\)](#), [IDEaS Revenue Performance Insights™ \(RPI\)](#) and [IDEaS Advisory Services](#) for select hotels across the Middle East.

The combination of solutions and, specifically, IDEaS G3 RMS forecasting and pricing functionality, is expected to significantly raise the overall optimisation of revenue management efforts, which in turn will maximise actual revenues for those Premier Inn Hotels across the Middle East.
