MINNEAPOLIS—Jan. 8, 2020—IDeaS Revenue Solutions, the world's leading provider of revenue management software and services, has been named 2020's top-rated revenue management software and People's Choice Award winner by Hotel Tech Report.

Compiling real customer data and unbiased reviews from nearly 25,000 hoteliers worldwide, the annual HotelTechAwards determine the best-of-breed products available to help hotels enhance performance and grow profitability.

"The continuous pricing and overbooking by room type are key functions of IDeaS' success for us. The tool's ability to provide comprehensive revenue forecasting, pricing and restriction optimization, and analytical insights has allowed us to grow revenues significantly over the last two years of being on the platform."

- Director of Revenue | City Center Property (United States)

"IDeaS provides a best-in-class RMS with high-quality data analytics, reporting, price recommendations and customer support."

- Director of Revenue Optimization | City Center Property (Japan)

"This is a great product, easy to use, fantastic ROI and we would literally never be without it. Product aside, IDeaS' customer service is also outstanding with monthly calls to ensure you're always getting the most out of it."

Revenue Manager | Branded Hotel (United Kingdom)

Jordan Hollander, co-founder, Hotel Tech Report, said: "Winning a HotelTechAward is the highest achievement in the industry because it's based on real data. Winners have truly earned their showcase with our rapidly growing community. Hoteliers trust this award when making purchase decisions because scoring is transparent and participation is ubiquitous amongst the most reputable vendors in the industry."

Dr. Ravi Mehrotra, president, founder and chief scientist, IDeaS, said:

"We're delighted to once again be named the world's top-rated revenue management system provider. This honor has deep, personal meaning as it is decided upon by our clients and represents our passion and focus for providing the most sophisticated revenue technology and comprehensive support. At IDeaS, we pride ourselves on constant innovation through partnership and foresight, and we wish to thank all our clients who shared their reviews and feedback."
