

Ambassadors & Resellers

About the Ambassador & Reseller Program

IDEaS Ambassadors are consultants, practitioners and influencers in the hospitality and travel industry who refer clients to IDEaS and/or leverage IDEaS software, services and consulting offerings with their own clients.

IDEaS Resellers are organizations who resell IDEaS software, services and consulting within predefined accounts and geographic regions. Resellers are expected to maintain a salesforce proficient with IDEaS offerings and commit to market development efforts in the assigned geographic regions.

About IDEaS Ambassador and Reseller Programs

The IDEaS Partner Programs are a worldwide network of more than 80 system integrators, channel partners, academic and industry experts who partner with IDEaS to provide comprehensive pricing and revenue management solutions to clients and further revenue management learning and understanding in the hospitality and travel industry.

By leveraging IDEaS intellectual property in terms of skills, experience, and knowledge resources as well as IDEaS background of continued innovation and world-class client support, IDEaS' Partners can create a sustainable competitive advantage in their marketplace.

Benefits of the IDEaS Ambassador and Reseller Programs:

- ▶ **Support:** Provide value-added support, services and an integrated solution offering to mutual clients
- ▶ **Grow:** Expand combined reach, add new clients profitably and generate incremental revenue from existing clients
- ▶ **Differentiate:** Create a sustainable competitive advantage by leveraging proven Pricing, Forecasting and Optimization expertise and intellectual property
